Community Garden Rules

Plots are allocated for one year at a time. Each member keeps their plot tidy and free of perennial weeds.

Hoses may be used only in the early morning or evening during dry spells. Water butts are shared.

Bonfires are not allowed. Green waste goes to the shared compost bays.

Shared tools and the shed

The shed is open from eight until dusk. Return tools clean and dry. Report broken tools to the committee.

Children are welcome but must be supervised. Dogs are not allowed inside the garden.
